THE FIGHTING RANGER

AN EIGHTEEN EPISODE ADVENTURE PICTURE ...FEATURING JACK DAUGHERTY

Buck McLeod and Terrance O'Rourke, battling in the treasure cave, fall through a trap into a sub-cellar, where McLeod is subdued and forced to reveal that Topaz Taggart was the real murderer of O'Rourke's father, and that he also committed the crime for which Mary's father is now in jail. Topaz and his henchmen reach the cave in time to hear the accusation. Realizing that they will all get the rope's end if the two men live to tell the tale, they drop to the lower cavern and stalk the two men who are concealed in the shadows. The posse sent by Mary arrive at the cave and Taggart escapes to Laramie, where he gets Dawson, the banker, his pawn, to take all the money from the vault preparatory to crossing the border. O'Rourke arrives and is jumped by Taggart's bullies in the saloon, but he fights them off and gets to the inner room where he fights and knocks out Taggart. The sheriff returns and arrests Taggart for murder, effects the release of Mary's father and bids goodbye to O'Rourke and Mary on their bridal gallop to Paradise Valley.
